

# Concrete

Lo studio di design per la collezione Concrete trae ispirazione dalla lavorazione del cemento rasato per superfici industriali. Concrete è una superficie dal mood minimale ed allo stesso tempo profondo e ricercato.

The design study for the Concrete collection takes its inspiration from the working of smoothed concrete for industrial surfaces. Concrete is a surface with a minimal and at the same time deep and elegant mood.

Die Designstudie für die Kollektion Concrete ist an der Optik glattgeputzten Betons für Industrieflächen inspiriert. Concrete erzeugt eine minimalistisch und zugleich intensiv und edel wirkende Oberfläche.

Pour la collection Concrete, le design s'inspire du béton ciré utilisé pour la réalisation des surfaces industrielles. Concrete est une surface à l'aspect à la fois essentiel, profond et raffiné.
